

JUNE 2026

LEOMHANN ENTERPRISES NEWSLETTER

PUERTO RICO TOP TEN TRIP

June was a month of strengthening the relationships that make our team successful. We kicked things off by attending a regional leadership conference. We also had the incredible honor of earning a Top Ten trip to Puerto Rico, recognizing our office as one of the best-performing teams in the business.

Back home, we continued building our team culture. Whether we were making a stop at Buc-ee's, cheering on the Cleveland Guardians, or enjoying some friendly competition at Topgolf, these moments reinforced the connections that extend beyond the workplace. June was a great reminder that learning, celebrating, and growing together are all part of building an exceptional team.
