OCTOBER

LEOMHANN ENTERPRISES 2026 NEWSLETTER

October was a month of learning, leadership, and celebration at Leomhann Enterprises. Our blog shared the personal story behind the Leomhann name and how the idea of a pride reflects our commitment to teamwork and mentorship. For Boss's Day, we celebrated Jeff and his dedication to helping our team grow, both personally and professionally.

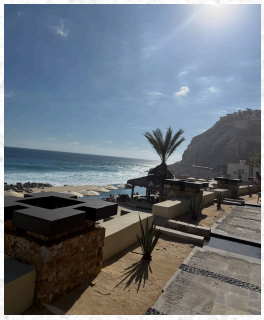

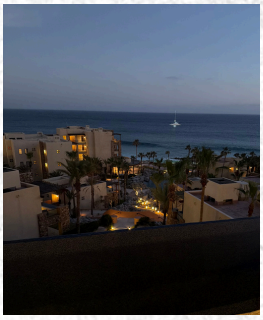

Outside the office, we enjoyed team nights at Topgolf and Fat Little Buddies in Olmsted Falls, making time to unwind and strengthen our connections. A standout highlight was our reward trip to Cabo San Lucas, where we stayed at the Waldorf Astoria Pedregal after earning recognition as one of the top ten offices. The trip was an opportunity to celebrate the hard work and teamwork behind that achievement and enjoy time together beyond our daily routines.
