

AUGUST

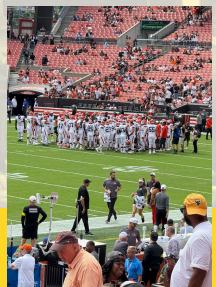

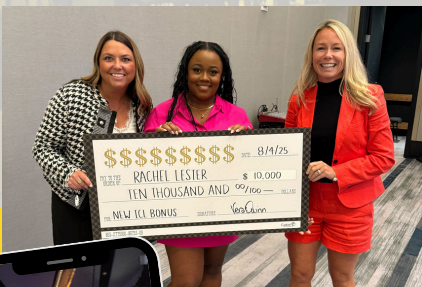

LEOMHANN ENTERPRISES 2025 NEWSLETTER

August was a month full of excitement and growth here at Leomhann Enterprises! One of the biggest highlights was attending the national conference, where our team got to connect with other top leaders, learn from the best in the business, and celebrate the amazing progress we've made so far this year. Events like this are a powerful reminder of why we do what we do, and they always leave us motivated to aim even higher. We also took time to celebrate our President, Jeff Crawford, on his birthday, which was a perfect chance to honor his leadership and the example he sets for our team every day.

We rounded out the month with some fun outside of the office, including a trip to a Browns game where we enjoyed team bonding and some Cleveland pride. Balancing hard work with time to celebrate together is at the core of our culture, and August was a great reminder of how important both sides are to long-term success. As we head into the fall, we're excited to build on this momentum and continue pushing toward our goals!

Here are some snapshots of our time celebrating Jeff for his birthday!
